ABOUT THE SHOP

Megan Molten Shop is a retail storefront and online shop that once started as a warehouse for Molten’s design clients. The shop was born out of the region’s strong interest to recreate her signature “Lowcountry Luxe” look in their own homes. Molten’s desire to share her perspective and favorite finds with design enthusiasts near and far has since garnered widespread recognition, catering to both a unique in-person warehouse shopping experience as well as a strong online shop presence. The shop’s warehouse location in charming Mount Pleasant, SC, a beloved suburb of Charleston. In 2023, Megan Molten Shop was named a Best Home Store in America by House Beautiful magazine.
