- Suggestions include pullout shoe drawers, vertical storage, bins, benches, and pet nooks.
- Recommends flexible solutions for small spaces, including temporary and multi-purpose options.

Stumped as to how to make your mudroom as organized as possible? Even if you're short on space, there are still plenty of ways to improve this area of the home in terms of [storage and functionality](#). Below, we're sharing 15 designer-approved ideas that may prompt you to look at your existing space in a new light.

## 12. Work Around an Architectural Feature

Margaret Wright

Speaking of [mudroom/laundry room](#) hybrids, Megan Molten made clever use of a preexisting niche by inserting a fitted cabinet into the open space. The end result? Natural looking and practical.
